

Softball Booster Club

September 27, 2018

On behalf of the Golden Valley Softball Booster Executive Board, we would like to welcome you to our first booster club general membership meeting for the 2018/2019 Softball season. The Booster Club E-Board has met with Coach Soto. Together we will work on a budget that will accommodate and accomplish the needs of the GVHS Softball program.

The primary objectives and purposes of the GVHS Softball Booster Club as stated in our Bylaws 2.01 are:

1. Raise money and establish funds for the benefit of the players from which softball activities may be provided with equipment, materials, and supplies not available through school or district funds.
2. Promote sportsmanship and teamwork among players, coaches, and parents.
3. Participate in designed activities to promote the GVHS Softball Program and its future.
4. To stimulate and sustain an enthusiastic interest in the GVHS Softball Program among parents, players, student body, and members of our community.

The success of any booster club greatly depends on its membership participation. In order to support the needs of the GVHS Softball Program, our daughters, and their teammates, we need to join together. If each of us could set aside time to attend meetings and volunteer in the fundraising efforts, our goal of raising money and establishing funds for the GVHS Softball Program can be achieved. Booster Club meetings are held 4 times a year.

Every family participating in the softball program will receive a packet that includes our "projected" budget for the GVHS Softball Program for the 2018/2019 season. In the budget is a list of items that we as a booster club propose to provide to the program and fundraising activities to offset the cost of those items.

If you have any questions, suggestions, concerns, please do not hesitate to contact us anytime.

Thank you for your support, and good luck to our GVHS Softball teams!

Sincerely,
The Golden Valley Softball Booster Club
